€6,250,000

An original Blakstad finca near San Carles, with beautiful established gardens, independent guest accommodation and a private tennis court.

Five minutes from the village of San Carles, Can Serena occupies 10,382 m² of rolling countryside, with uninterrupted views across Ibiza's northeastern hills. Originally designed by Blakstad, the estate reflects the enduring appeal of traditional Ibicencan architecture, with whitewashed walls, Sabina timber beams and natural stone lending the house its distinctive character.

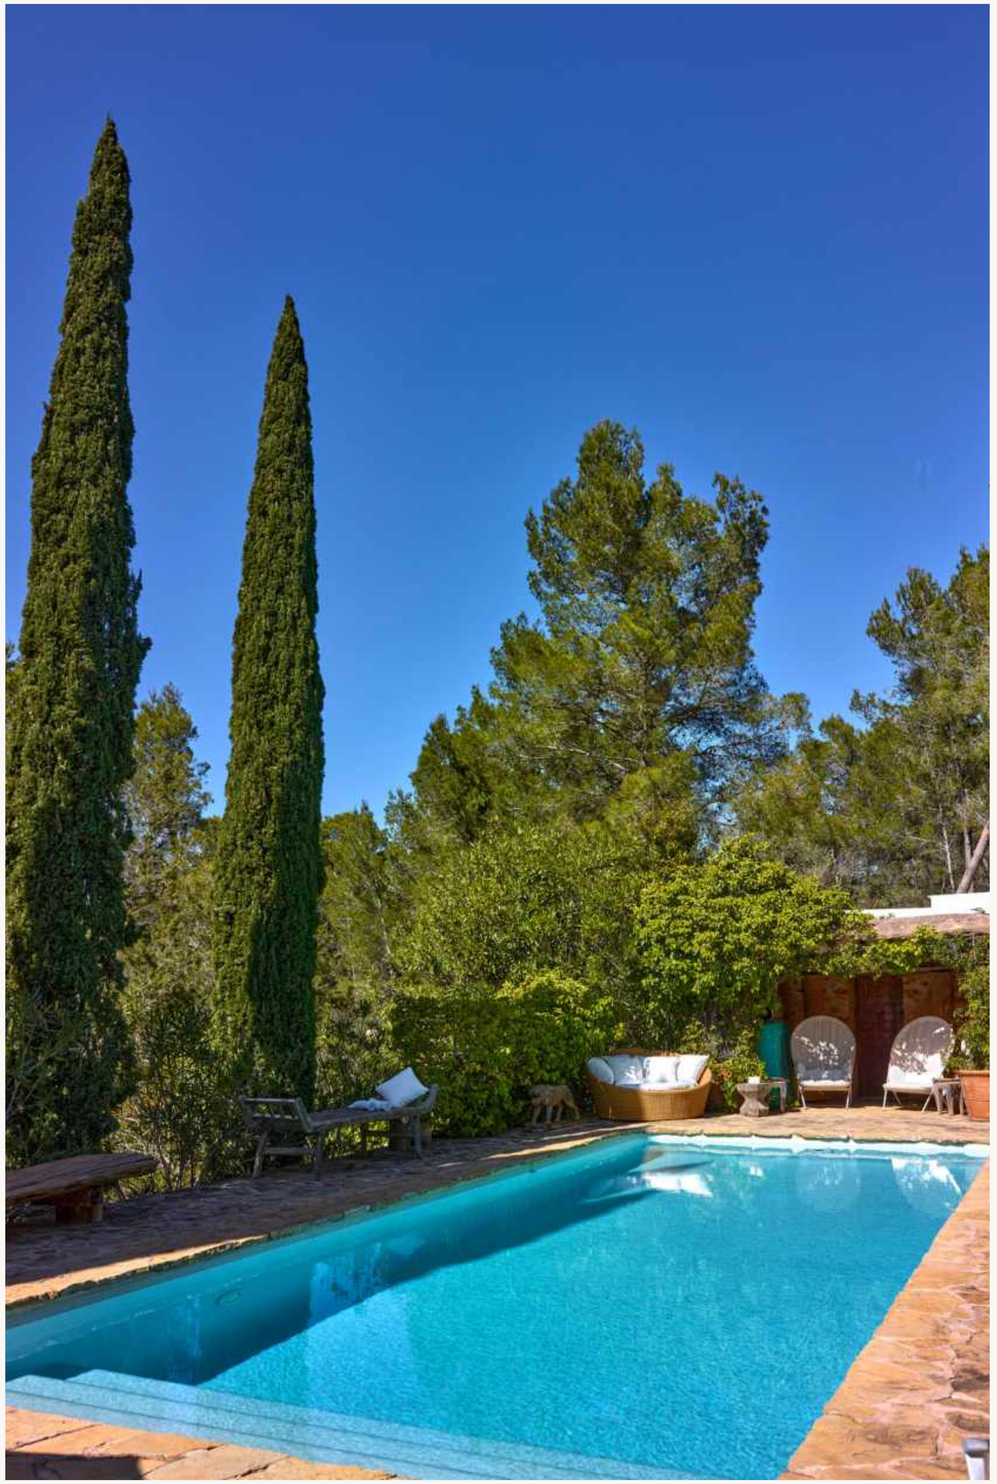
Inside, vaulted ceilings, generous windows and a restrained palette of natural materials create an atmosphere of understated elegance. A beautifully appointed kitchen opens onto the principal living and dining spaces, while shaded terraces provide a natural extension of the interiors.

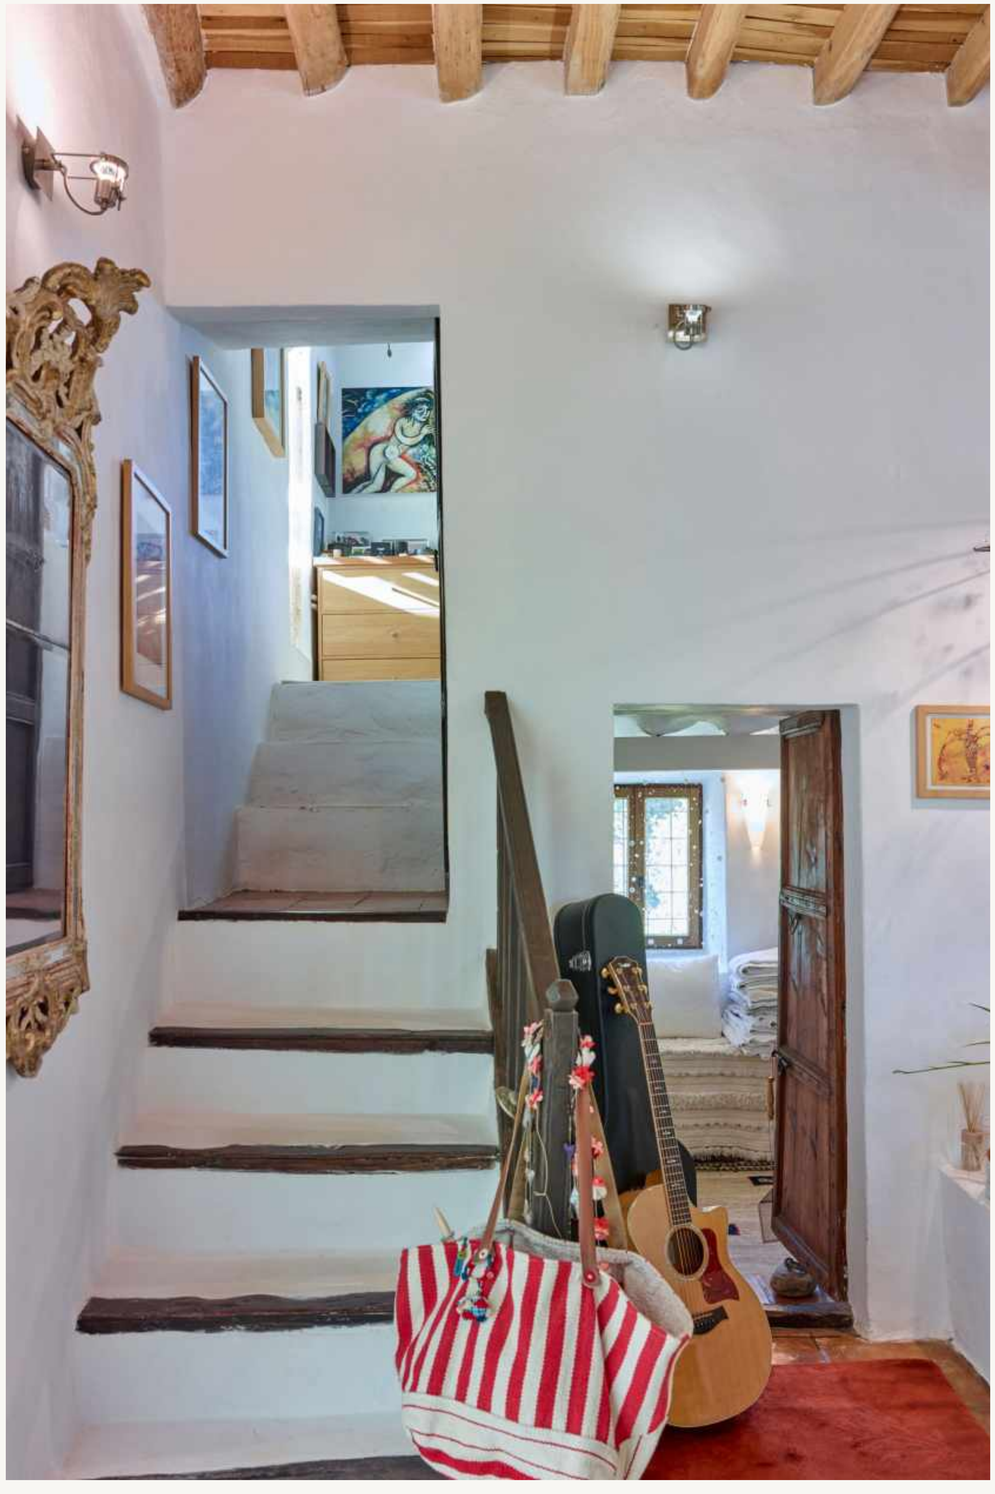
The estate offers five bedrooms distributed between the main residence and independent guest accommodation. A separate two-bedroom guest house has its own kitchen and sitting room, while a former artist's studio beside the swimming pool provides an inspiring space for creative pursuits or additional accommodation.

Outside, mature gardens unfold around shaded terraces and outdoor dining areas, with olive trees, fragrant planting and uninterrupted countryside views. A 43 m² swimming pool and private tennis court provide opportunities for relaxation and recreation, while a rooftop terrace offers another perspective across the surrounding landscape.

A triple garage, private well and year-round climate control add practicality to the estate.

The peaceful rural setting feels wonderfully removed from the busier parts of the island, yet San Carles is just minutes away, with Santa Eulària and the beautiful beaches of Ibiza's northeastern coastline within easy reach.





Can Serena sits just outside San Carles, prized for its privacy, countryside views and easy reach of the northeast's beaches.

San Carles still carries the bohemian spirit that drew artists to this corner of the island in the 1960s. Its whitewashed lanes hold independent cafés and traditional restaurants, and the Las Dalias market remains its best-known institution. Cala Nova, Cala Llenya and Aguas Blancas offer beaches of very different character, from long golden sand to quiet coves framed by pines, while Santa Eulària adds its marina, boutiques and year-round life. Ibiza Town and the airport are an easy drive.
