€6,500,000

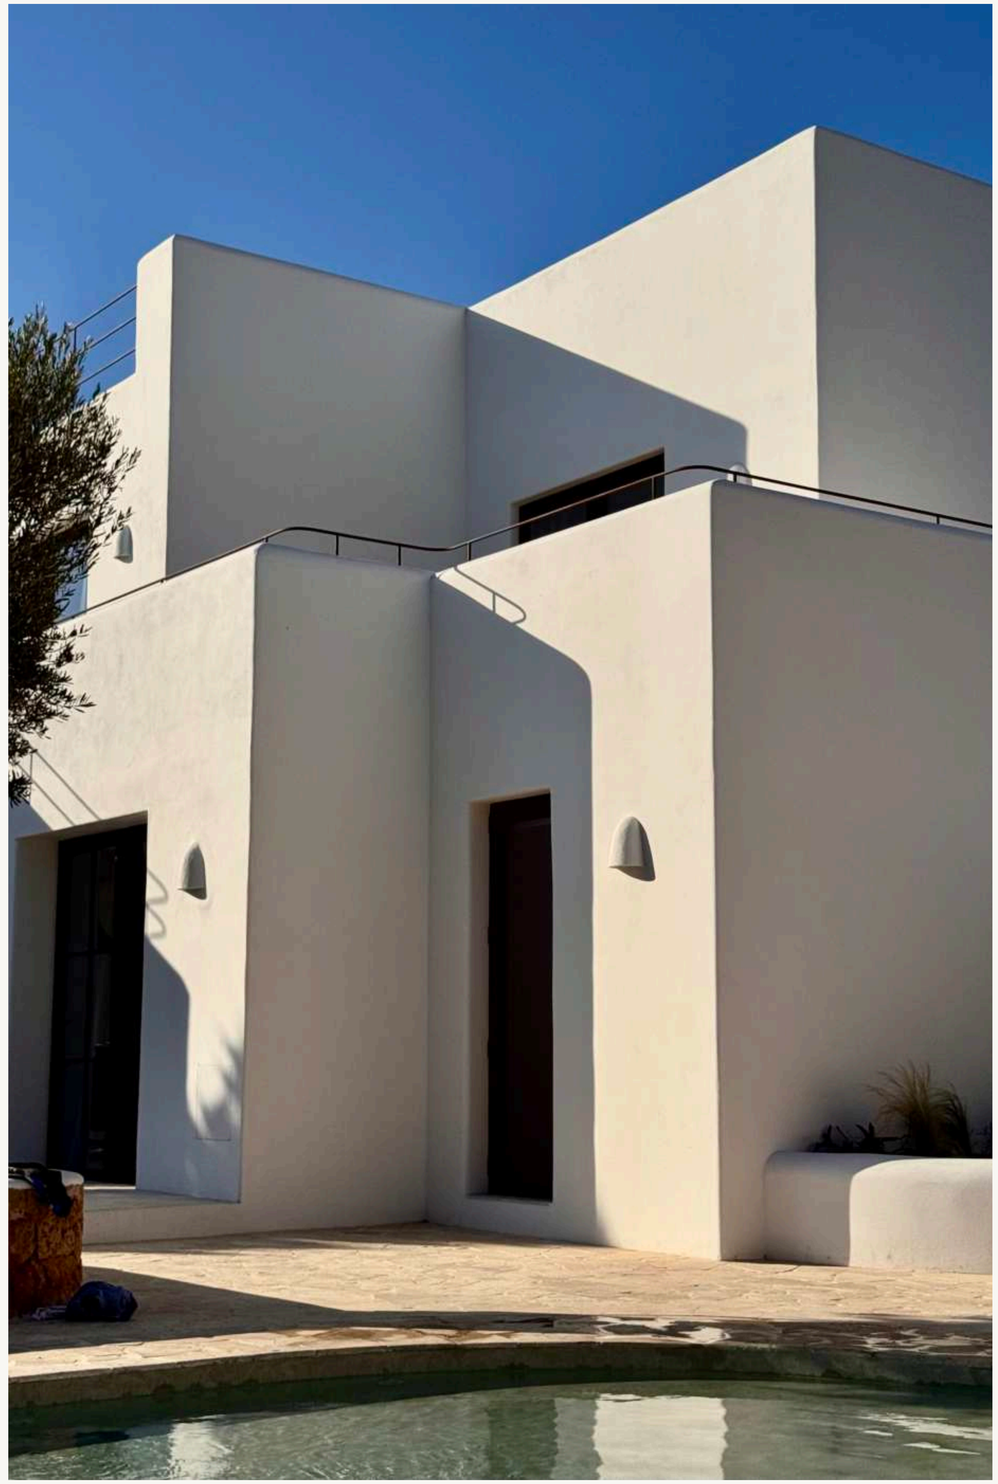
A beautifully designed contemporary home in a peaceful neighbourhood on Ibiza's west coast, with sweeping countryside and sea views and spectacular sunsets.

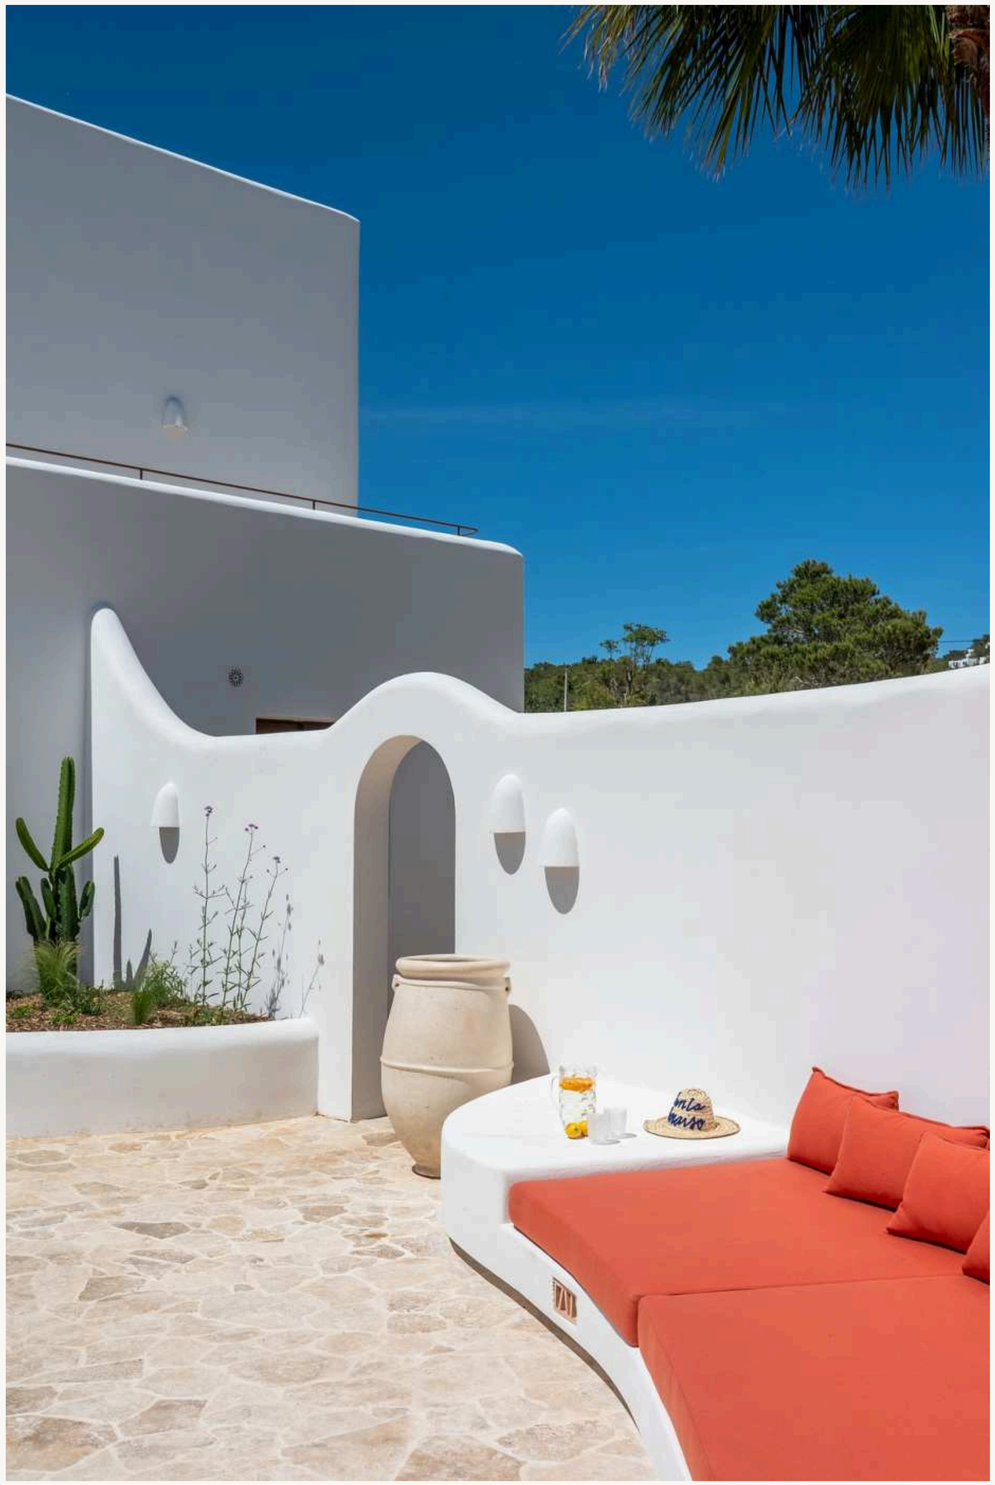
Villa Paradiso enjoys far-reaching views across the countryside towards the Mediterranean, with spectacular sunsets over the horizon. The rocky coastline and crystal-clear waters of Punta Galera are just five minutes away by bicycle.

With interiors by Ibiza Interiors, the six-bedroom residence offers a contemporary interpretation of traditional Ibicencan architecture. Limewashed walls, natural stone floors, timber doors and softly curved openings create a warm, understated atmosphere, with generous glazing connecting the interiors to the surrounding landscape.

The open-plan kitchen, dining and living spaces centre around a striking stone island and glass-encased fireplace. Floor-to-ceiling doors open directly onto the terraces, creating an effortless connection between indoors and out.

Six en-suite bedrooms each enjoy access to a private terrace or garden. The principal suite includes a freestanding bathtub, rainfall shower and outdoor shower, offering a peaceful retreat within the house.





Outside, an L-shaped swimming pool is surrounded by landscaped gardens, sun terraces and shaded seating areas. An outdoor kitchen beneath a rattan pergola provides a relaxed setting for long lunches and evening entertaining, while a separate covered yoga deck offers a quieter space for reflection.

Above, the rooftop terrace and built-in bar command expansive views across the countryside and sea, providing a wonderful vantage point for Ibiza's celebrated sunsets.

Villa Paradiso combines thoughtful design, relaxed outdoor living and the tranquillity of its surroundings, just moments from the island's western coastline.

Villa Paradiso sits among olive groves on the west coast, where the sun sets over the countryside and the sea.

Walk out to the cliffs of Punta Galera at the end of the day. Cala Gracioneta is a short drive for a long afternoon on the sand. Sant Antoni's marina has everything you need day to day. Inland, Santa Gertrudis is the island's cultural heart, and Ibiza Town is there when you want it. Then home through the olive trees, as the light goes.
